Royal Borough of Greenwich Equality and Equity Charter

Everybody counts – a pledge for equality across Royal Greenwich

Royal Greenwich is a vibrant borough with a growing diverse population. We share an ambition to create a fairer, safer, accessible and inclusive borough where everyone feels they belong, has a voice and an equal opportunity to succeed and thrive.

We are committed to making a real difference by:

- ▶ making Royal Greenwich a welcoming borough where everyone feels they belong
- ▶ inspiring trust and confidence in all the borough has to offer
- ▶ recognising, valuing and celebrating diversity
- ▶ listening to and understanding the diverse needs of all people
- ▶ building good relations and understanding between people
- ▶ creating a fairer borough through promoting inclusion, participation and equal access
- ▶ challenging discrimination, harassment, bullying, hate crime and victimisation
- ▶ eliminating barriers, encouraging a growth mindset, raising aspirations and creating opportunities for growth beyond limit.

As an organisation we will:

- ▶ actively promote equality
- ▶ work with partners and the community to make our information, services and products more accessible and inclusive
- ▶ put equal opportunity at the heart of our recruitment, employee development and service delivery
- ▶ continually review the diversity of our workforce and ensure it's representative of our local community across all levels
- ▶ address all allegations of discrimination, harassment, bullying and victimisation
- ▶ promote good relations between people from different backgrounds
- ▶ share good equality practice with our partners
- ▶ measure and share our progress and success.

We are committed to the Royal Greenwich Equality and Equity Charter and we will be marking LGBT Pride Month in June. Our school is committed to creating a welcoming environment where everyone can be themselves, thrive, feel they belong and be respected. This includes the lesbian, gay, bisexual and transgender community. We teach kindness, celebrate diversity and stand up for equality.

HENRY LUK KINDNESS AWARD

We were delighted to present the **Henry Luk Kindness Award Cup** to **Grace** in **Kalmia Class** today.

Miss Kemp nominated Grace and said:

Grace is the most kind and thoughtful person. She is always ready and willing to extend a helping hand to whoever may need one. She notices the little things and will always stop to check in with both her peers and her familiar adults. She goes out of her way to help and support everyone she can in Kalmia Class, and brings a genuine smile to the faces of everyone who her kindness touches. Our world needs more people like Grace!

Well done, Grace! We are very proud of you!

DANCE PERFORMANCE

Next half-term, the children will have sessions with a dance coach. Each year group will learn a dance and there will be a performance of all the dances on Thursday 12th June in the afternoon. We would be delighted to have some parents and carers join us.

This will be the first time we have ever had a whole-school performance and for this reason we have to limit tickets to one per family. You will be able to request a free ticket via ParentMail/Payments section.

Please note that this will be an outdoor, standing-only event (approximately 45 minutes) and as such, is dependent on the weather. If there is excessive heat or rain, we will move the performance into the Sports Hall and we will not be able to accommodate an audience.

If you need support with access, please let us know.

Well done!
